Madam/ Sir,

Thanks once again for your sincere and concerted efforts for sending a daily online counselling schedule through Google form.

In continuation of that, I had also requested the I/C PIU to provide a schedule of FB live sessions of Hq well in advance, so that the same could be communicated to the RCs. Accordingly, please find attached the FB live Sessions of Hq scheduled for 22, 23 and 24 May 2020. You are therefore requested to kindly communicate to the students through all possible channels including RC website and social media platforms of the Regional Centres.

With kind regards,
