Respected Regional Directors,

The Project work of DECE requires an internship in preschools for 30 working days. Many students started the Project Work but could not complete it due to closure of preschools / nursery schools/ pre-primary sections in Lockdown.

To help these learners complete the Project Work and Assignments, revised guidelines have been prepared which have been approved by competent authority.

Based on this approval, Guidelines have been developed for students and these are being attached as word document with this mail. It is requested that this word file may be uploaded at your website for the convenience of learners.

I will be doing IRC on 27th May, 2020 from 11 a.m. till 12 p.m. If learners are informed about this, then they can ask queries related to revised guidelines on that day.

Thanking each one of you for your support,

With regards,

Rekha Sharma Sen
